# Plansje 1 – Kunnskapsbaserte tiltak

Denne kan du bruke som inspirasjon og påminnelse til å fylle ut pasientens individuelle komfort bundle (plansje 2).

Husk at tiltakene skal overensstemme med relevante punkter i pleieplan/behandlingsplan!

## Overordnet/ bakgrunn om discomfort/comfort/bundle

Berntzen, H., (2020). Universitetet i Oslo Institutt for helse og samfunn. Patient experiences and nurses' management of pain and discomfort in intensive care during a strategy of analgosedation : an exploratory study. Department of Nursing Science, Institute of Health and Society, Faculty of Medicine, University of Oslo
