

How is ORCID linked to your manuscript?

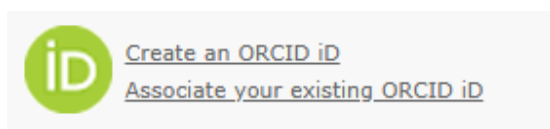

1. Log in to the manuscript management system via 'Log in'.

2. Click on the arrow to the right of your name.

3. Click on 'Email/Name'.

4. Select 'Create an ORCID iD' if you do not already have an ORCID iD.
Select 'Associate your existing ORCID iD' if you already have an ORCID iD.

If you already have both a Web of Science account and an ORCID iD, you can click on the large blue icon 'Log in using Web of Science'. ORCID is then automatically linked to the Norwegian Journal of Clinical Nursing.
